Quick Facts for a Safer Ride.....

Texas ATV Law

Tex. Transp. Code Ann. § 663.031. Safety Certificate Required.

- A person may not operate an all-terrain vehicle on public property or a beach unless the person:
 - holds a safety certificate issued under this chapter or under the authority of another state;
 - is taking a safety training course under the direct supervision of a certified all-terrain vehicle safety instructor; or is under the direct supervision of an adult who holds a safety certificate issued under this chapter or under the authority of another state.

§ 663.032. Operation by Person Younger Than 14.

A person younger than 14 years of age who is operating an all-terrain vehicle must be accompanied by and be under the direct supervision of the person's parent or guardian or an adult who is authorized by the person's parent or guardian.

§ 663.033. Required Equipment; Display of Lights.

An all-terrain vehicle that is operated on public property or a beach must be equipped with:

- a brake system maintained in good operating condition;
- an adequate muffler system in good working condition; and
- a United States Forest Service qualified spark arrester.

An all-terrain vehicle that is operated on public property or a beach must display a lighted headlight and taillight during the period from one-half hour after sunset to one-half hour before sunrise; and at any time when visibility is reduced because of insufficient light or atmospheric con-

(continued from page 1)

§ 663.034. Safety Apparel Required.

A person may not operate, ride, or be carried on an all-terrain vehicle on public property or a beach unless the person wears a safety helmet that complies with United States Department of Transportation standards and eye protection.

§ 663.035. Reckless or Careless Operation Prohibited.

A person may not operate an all-terrain vehicle on public property or a beach in a careless or reckless manner that endangers, injures, or damages any person or property.

§ 663.036. Carrying Passengers.

A person may not carry a passenger on an all-terrain vehicle operated on public property or a beach unless the all-terrain vehicle is designed by the manufacturer to transport a passenger.

§ 663.037. Operation on Public Roadway Prohibited.

The operator of an all-terrain vehicle may drive the vehicle across a public street, road, or highway that is not an interstate or limited-access highway to cross those roads. The operator of an all-terrain vehicle may drive the vehicle across a divided highway other than an interstate or limited access highway only at an intersection of the highway with another public street, road, or highway. The operator of an all-terrain vehicle may drive the vehicle on a public street, road, or highway that is not an interstate or limited-access highway if:

- In connection with agricultural or utility purposes;
- the operator attaches to the back of the vehicle on top of an eight-foot-long pole a triangular orange flag;
- the vehicle's headlights and taillights are illuminated;
- the operator holds a driver's license;
- the operation of the all-terrain vehicle occurs in the daytime;
